**iCargo Alliance, a Leading Global NVOCC, Joins
INTTRA's Network**

Parsippany, NJ, and Hong Kong, November 28, 2017 - INTTRA, the largest neutral electronic transaction platform, software and information provider at the center of the ocean shipping industry, today announced

that iCargo Alliance, a global NVOCC and LCL carrier, is joining INTTRA's network.

iCargo Alliance is a global alliance network of NVOCCs with more than 30 partners, operating 170 offices in 89 countries, providing customized LCL solutions that combine all multi-modal transport options. iCargo Alliance customers may now send their booking and shipping instructions through INTTRA's global network.

"We are delighted to welcome iCargo Alliance as one of our newest NVOCCs," said Inna Kuznetsova, President and COO of INTTRA. "The growing number and variety of NVOCCs and carriers joining our network means a wider range of customers will now have a more efficient way to book containers and receive tracking information."

"Many of our global forwarders depend on INTTRA to connect directly to carriers for their FCL and LCL shipments," said Franky Van Doren, Managing Director, iCargo Alliance. "Joining INTTRA's network as a NVOCC makes great sense, enabling us to improve our competitive position in the market, while removing cost from our operations."

About INTTRA

INTTRA is the largest neutral electronic transaction platform, software and information provider at the center of the ocean shipping industry. INTTRA's innovative products, combined with the scale of our network, empower our customers to trade with multiple parties and leverage ocean industry information to improve their business.
